The Municipality of Ordino organize ORDINO JARDINS D'ART on 10 and 11 September 2022 and invites artists to take part in it.

Ordino Jardins d'Art is a Contemporary Art Award for professionals in Andorra and around the world.

Its purpose is to promote artists and to foster touristic activity in the Ordino area, inviting visitors to come to the gardens and other emblematic places of our municipality.

Ordino Art Gardens is conceived to include all the visual arts: painting, photography, drawing, sculpture, land art, installations, graffiti.

This edition offers an art market out-of-competition format.

The goal is to allow the artist to sell their work directly to the public and encourage art consumption.
